

United States Department of Agriculture

UNITED STATES VETERINARY BIOLOGICAL PRODUCT PERMIT

DISTRIBUTION AND SALE

NO. 582A

Issued at Washington, D.C. on

Expires: **Not Applicable**

This permit is issued pursuant to the terms of the Act of Congress approved March 4, 1913 (37 Stat. 832), governing the preparation, sale, barter, exchange, shipment, and importation of veterinary biological products. So far as the jurisdiction of the U.S. Department of Agriculture is concerned,

**Prionics USA, Inc.
9810 Hupp Drive
La Vista, Nebraska 68128**

is authorized to import

**Mycobacterium Paratuberculosis Antibody Test Kit, Code 5064.00
Mycobacterium Bovis Gamma Interferon Test Kit, For Cattle, Code 5A64.00**

prepared by **AgriQuality Australia
3-5 Lilee Crescent
Tullamarine
Victoria, Australia**

into the United States through the port of
Los Angeles, California or Chicago, Illinois

Importation shall be made subject to the following special conditions:

The producer/permittee agrees to submit to periodic reinspections of the production facility under terms to be specified in a Cooperative Agreement between the parties. The permittee agrees to be responsible for all costs associated with these inspections.

See attached restrictions.

This permit may be revoked if the permittee violates or fails to comply with said Act, the regulations made thereunder, or the conditions specified herein.

U. S. Veterinary Biological Product Permit No. 582A

Each shipment of biological product distributed and sold under this permit must be accompanied by an ORIGINAL certificate endorsed by a full-time, salaried veterinarian of the agency responsible for animal health of the GOVERNMENT OF AUSTRALIA, or other assurances acceptable to APHIS, certifying that:

1. All ingredients of animal origin used to produce this product were not obtained from ruminants that have been in any country cited in 9 CFR 94.18 or countries considered to be of equivalent status by the National Center for Import/Export.
2. During the manufacturing process, the manufacturing facility does not receive, store, or process any ingredients of ruminant origin from countries cited in 9 CFR 94.18.
3. The product complies with all other provisions of 9 CFR 113.53.
4. Distribution in each State shall be limited to authorized recipients designated by proper State officials—under such additional conditions as these authorities may require. This restriction is for Code 5064.00.
5. Sale and use in the United States restricted to laboratories approved by state and federal (USDA) animal health officials. This restriction is for Code 5A64.00.
