

PRE-TRIM AWARENESS

■ ■ ■

AsureQuality's Pre-Trim Awareness course is designed to assist meat processing companies with ensuring all pre-trim personnel are adequately trained in the recognition and removal of defects. The pre-trim area is a key part of a company's HACCP plan as it is a critical control point.

KEY BENEFITS

- › Calibrates staff at their workstations to ensure pre-trim personnel satisfy regulatory and customer requirements.
- › Provides the employer with confidence to pass audits and is often part of a CAR (Corrective Action Request) issued as a result of failures at audit.
- › Provides knowledge of diseases and defects found in the carcass and how to remove contamination effectively and efficiently.
- › Provides knowledge of relevant health and safety requirements.

WHO SHOULD ATTEND

- › All personnel involved in pre-trim on the slaughterboard and further processing areas (e.g. boning rooms).
- › Supervisors
- › QA staff
- › Technical staff
